Your children may qualify for free meals or for reduced-price meals. Reduced price is \$.30 for breakfast and \$.40 for lunch. This packet includes an application for free or reduced-price meal benefits and detailed instructions. Below are some common questions and answers to help you with the application process.

1. Who can receive free or reduced-price meals? All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP) or Ohio Works First (OWF); foster children that are under the legal responsibility of a foster care agency or court; children participating in their school's Head Start program; and children who meet the definition of homeless, runaway, or migrant are eligible for free meals. Also, your children may receive free or reduced-price meals if your household's income is within the federal income eligibility guidelines limits.

- 2. How do I know if my children qualify as homeless, migrant or runaway? If members of your household lack a permanent address; are staying together in a shelter, hotel or other temporary housing arrangement; relocate on a seasonal basis or; children live with you who have chosen to leave their prior family or household then the children may qualify as homeless, migrant or runaway. If you have not been told your children will receive free meals, please call or email Erich Riebe at erich.riebe@waynedale.us or 330-698-3001 to see if they qualify.
- 3. Do I need to fill out an application for each child? No. Use one free and reduced-price school meal application for all students in your household. We cannot approve an application that is not complete. Please submit all required information. Return the completed application to your child's school secretary or directly to Waynedale Local Schools Board of Education Office, 9048 Dover Road Apple Creek, Ohio 44606.
- 4. Should I complete an application if I received a letter this school year saying my children are approved already for free meals? No, but please read the letter carefully and follow the instructions. If any children in your household were missing from the eligibility notification, contact Erich Riebe @ 330-698-3001 immediately.
- 5. Can I apply online? You cannot complete an application online. However, the application packet is available online on the schools' website and we encourage you to print it out, complete the form, and return to your child(s) school.
- 6. My child's application was approved last year. Do I need to complete another application? Yes. Your child's application is valid for that school year, through Monday, September 29th. You are required to submit a new application unless the school already notified you that your child is eligible for the new school year by the Direct Certification process.

- 7. I receive Women, Infants and Children (WIC) benefits. Can my child(ren) get free meals? Children in households participating in WIC may be eligible for free or reduced-price meals. Please submit a completed application.
- 8. Will the information I give be checked? Yes, we also may ask you to send written proof.
- 9. If I do not qualify now, may I apply later? Yes. You may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.
- 10. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to the following contact person: Erich Riebe @ 330-698-3001, erich.riebe@waynedale.us.
- **11. May I apply if someone else in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced-price meals.
- 12. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, submit the report with the routine amount of \$1,000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
- 13. What if some household members have no income to report? Household members may not receive some types of income that are asked for you to report on the application or may not receive income at all. When this happens, please write a 0 in the corresponding field. However, if any income fields are left empty or blank, those also will be counted as zeroes. Please be careful when leaving income fields blank.
- **14.** We are in the military. Do we report our income differently? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it also must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment also is excluded from income.
- **15. What if there is not enough space on the application for my family?** List any additional household members on a separate piece of paper and attach it to your application.
- 16. Why am I being asked to give my consent for an instructional fee waiver? Ohio public schools are required to waive the school instructional fees for children that quality for free meal benefits. School food service personnel must have parent consent to share the student meal application if your child(ren) qualify for a fee waiver. If you agree to allow your child(ren)'s meal application to be shared with school officials to see if they qualify for a fee waiver, then select yes in part 5. If you do not wish for that information to be shared, then select no in part 5. Answering no to this question will mean your child will not be considered for a fee waiver. Answering this question either way will not change your child(ren)'s free or reduced-price meal eligibility.
- **17. My family needs more help. Are there other programs we might apply for?** To find out how to apply for Ohio SNAP or other assistance benefits, contact your local assistance office or call 877-852-0010.

If you have other questions or need help, call **Erich Riebe @ 330-698-3001** Si necesita ayuda, por favor llame al teléfono: **Lisa Gwin @ 330-698-3111**

The Richard B. Russell National School Lunch Act requires the information on this application. You are not required to provide information, but if information is not provided, the state agency cannot approve your child for free or reduced-price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Ohio Works First (OWF) case number or other identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced-price meals, and for administration and enforcement of the lunch and breakfast programs. We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

SHARING INFORMATION WITH MEDICAID/Healthy Start, Healthy Families

Dear Parent/Guardian:

If your children receive free or reduced-price school meals, they <u>may</u> also be eligible for free or low-cost health insurance through Medicaid or the State of Ohio Healthy Start, Healthy Families Program. Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, the law allows us to tell Medicaid and Healthy Start, Healthy Families that your children are eligible for free or reduced-price meals, unless you tell us not to. Medicaid and Healthy Start, Healthy Families only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced-Price School Meals Application does not automatically enroll your children in health insurance.

If you do not want us to share your information with Medicaid or *Healthy Start*, *Healthy Families*, fill out the form below and send in (Sending in this form will not change whether your children get free or reduced-price meals).
